Dear Community Leaders and Our Friends of Children:

The 2019 Annual Report tells the story of the many dedicated community partners working together to ensure child well-being. It tells the story of the many collaborations and partnerships that increase the impact of what the Cabarrus Partnership for Children is doing in Cabarrus County.

We are so excited to feature some of the great work in our Circle of Parent's Program at the Annual Luncheon. Our ladies accomplish so many amazing things and we want you to meet them and encourage them.

We will continue to listen to our community partners and tackle the very hard issues that need a community solution, so we hope that you will continue to support us as we move ahead.

Thank you so much for all your time, energy, talent and professional expertise that you have brought to our collaborative partnership over the last twenty-one years!

Ann Benfield,
Executive Director

High-quality educational experiences designed to enhance school readiness for eligible four-year-old children in Cabarrus County.

- Approaches to play and learning
- Emotional and social development
- Health and physical development
- Language development and communication
